Re: Dr. Gardner's Asbestos Dust Experiments

Dear Mr. Rohrbach:

I have followed Dr. Gardner on almost numberless occasions regarding his final report on the experiments he conducted many years ago with the financial support of members of the Asbestos Textile Industry; so likewise has Mr. Muehleck of Keasbey & Mattison.

The latest inquiry was made by Mr. Muehleck in his letter to Dr. Gardner of July 23, and I am enclosing herewith copy of Dr. Gardner's reply of July 26, which will apprise you of the current status.

Sincerely yours,

Vandiver Brown
