Mr. M. F. Judd,

Dear Mr. Judd:

Metropolitan Life Insurance Company billed us recently for travelling expenses incurred on our behalf in connection with surveys made at certain of our California plants and, at the same time, sent me the enclosed statement covering disbursements in connection with the re-check survey made by them on your behalf.

I am taking care of our bill and will advise them that they may expect to hear from you direct concerning yours.

Sincerely yours,

Vandiver Brown
