Re: Dr. Leroy U. Gardner -
Asbestos Dust Experiments.

Dear Mr. Simpson:

For your information, the following concerns have advised me of their willingness to contribute to the furtherance of Dr. Gardner's experimental work during 1941 upon the same basis as during 1940:

Gatke Corporation
Southern Asbestos Company
Union Asbestos & Rubber Company
Johns-Manville Corporation

I shall appreciate your advising me as promptly as possible your own company's position regarding further participation in this program.

Sincerely yours,

Vandiver Brown

Vandiver Brown,
Secretary.
