Mr. M. F. Judd, Secretary
Raybestos-Manhattan, Inc.
Bridgeport, Connecticut

My dear Mr. Judd:

Thank you for the papers sent me with your letter of February 4, 1938 relating to the Air Hygiene Foundation of America, Inc. The bulletins look very interesting, and I am having them noted by Mr. Young and Dr. Keating. Would it not be possible to obtain additional copies, so that one set might be on file with each Division? The bulletin on Compensation Legislation is #3. I think it would be advisable to ask at the same time for copies of #1 and #2.

I note that, according to the memorandum of membership charges, our dues are at the rate fixed for members having 1,000 to 2,499 employees. Should we not be in group #4 with 2,500 to 4,999 employees at $350.00 per year?

I have not as yet received the bill which Mr. Hudson will render Raybestos-Manhattan, Inc., but I presume that it will be forthcoming in due course.

Yours truly,

W. H. Dunn
