Mr. Morton F. Judd .
The Raybestos Division
Bridgeport, Connecticut

My dear Mr. Judd:

At this time I accumulate data for comments on the accounts at the close of the year, and I should like to review again the arrangement with Johns-Manville covering Mr. Otto L. Binder.

I discussed with you my letter of November 11, 1935 to Miss Judge upon this subject, and you said that the arrangement had operated satisfactorily, and that Mr. Binder's report had been found instructive and valuable. Including the bill sent me with Miss Judge's letter of January 3, 1936, which bill I am passing for payment, our expenses on this account have been as follows:

Salary

First payment from May 21 to May 31, 1934 paid June 11, 1934	$ 35.48	
1934 payments from June to December inclusive - $100.00 per month	700.00	
1935 payments from January to December inclusive	1,200.00	$1,935.48

Travelling Expenses

First payment made June 11, 1934	$ 43.33	
1934 payments	776.96	
1935 payments	162.98	983.27
		$2,918.75

At your convenience, I should like to hear from you upon the subject, or to discuss it with you when I am next in Bridgeport.

I am sending a copy of this letter to Mr. Weber, who expressed interest in the matter some time ago.

Yours truly

W. H. Dunn
