Mr. O. H. Cilley, Assistant General Manager,
U.S. Asbestos Division of Raybestos-Manhattan, Inc.
Manheim, Pa.

Dear Mr. Cilley:

I am attaching a list of names of your employees for whom we have two X-rays, one taken in 1930 and the other in 1935. I should like very much to have another film taken for each of these employees so that we can demonstrate in our asbestos report that, contrary to general opinion, asbestosis develops very slowly.

I should appreciate it very much if you could have these X-rays taken and sent to us.

Very truly yours,

W. J. McConnell, M.D.
