VS. : CIVIL ACTION NO. 5402

COMBUSTION ENGINEERING, INC., ET AL :

MOTION TO QUASH INTERROGATORIES PROPOUNDED TO PLAINTIFF BY DEFENDANT JOHNS-MANVILLE SALES CORPORATION

TO THE HONORABLE JUDGE OF SAID COURT:

Now comes the plaintiff in the above entitled and numbered civil action and files this his motion to quash the written interrogatories served upon him by the defendant Johns-Manville Sales Corporation, and would respectfully show unto the Court the following:

That the written interrogatories propounded to the plaintiff do not involve the plaintiff's theory of his case at all; that the defendant Johns-Manville Sales Corporation knows far more about the materials it manufactures than the plaintiff and the harmful effects of such materials.

WHEREFORE, premises considered, plaintiff prays that this court set this motion down for oral hearing, and that upon a hearing hereof, the said defendant's interrogatories to plaintiff be in all things quashed.
