CLAUDE J. TOMPLAIT

VS.

COMBUSTION ENGINEERING, INC., ET AL

CIVIL ACTION NO. 5402

MOTION FOR EXTENSION OF TIME
TO ANSWER INTERROGATORIES

TO THE HONORABLE JOE FISHER, JUDGE OF SAID COURT:

Comes now Combustion Engineering, Inc., R & I Refractor and Insulation Corporation, Johns-Manville Products Corporation, Johns-Manville Fiber Glass, Inc., Owens-Corning Fiberglas Corporation, Pittsburgh Corning Corporation, Pittsburgh Plate and Glass Company, and Eagle-Picher Industries, Inc., defendants in the above styled action, and respectfully move the Court to grant them an extension of thirty (30) days from and after January 15, 1968, within which to answer the interrogatories served upon them by the plaintiff, and in support hereof say that to answer such interrogatories requires the assimilation of a great quantity of literature and the search therefor which cannot be accomplished by January 15, 1968, and consequently additional time is needed.

Each of the above named defendants, through their respective attorneys of record, has authorized the attorney for the defendant Owens-Corning Fiberglas Corporation to make, sign and present this motion on their behalf.

Respectfully submitted,

John N. Poindexter
Attorney for Owens-Corning Fiberglas Corporation on Behalf of all Defendants named above

ORDER

On this the 15th day of January, 1968, came on for consideration by the Court the above and foregoing Motion made on behalf of the defendants therein named, and the Court being of the opinion that said Motion should be granted, it is accordingly:

ORDERED that said Motion be, and the same is, hereby granted and each of said named defendants shall have thirty additional days from and after January 15, 1968 within which to answer the interrogatories propounded by the plaintiff.

It is further ORDERED that in answering said interrogatories the defendants need not precede the year 1959.

Chief Judge, United States District Court
