VS. : CIVIL NO. 5402

COMBUSTION ENGINEERING, INC., ET AL :

APPLICATION TO THE COURT

TO THE HONORABLE JUDGE OF SAID COURT:

Now comes the plaintiff in the above entitled and numbered cause, and would show unto the Court the following:

1.

That certain of the defendants herein have filed their motions to limit the plaintiff's motion for discovery filed herein, and that the plaintiff has filed a reply to the motion to limit filed by defendant Fiberboard Paper Products Corporation; that since the filing of the motion to limit by the said Fiberboard Paper Products Corporation, several of the other defendants have also filed motions to limit which are essentially the same as that filed by Fiberboard Paper Products Corporation.

2.

In order to avoid the filing of additional replies on the part of the plaintiff to such motions to limit, the plaintiff asks permission of the court for his reply to the motion to limit of Fiberboard Paper Products Corporation also be taken as his reply to the other motions to limit filed by other defendants or to be filed by them.

WHEREFORE, plaintiff prays that this court allow his reply to the motion to limit plaintiff's motion for discovery, such motion to limit being filed by Fiberboard Paper Products Corporation, be taken as plaintiff's reply to the motions to limit filed by other defendants herein, or to be filed by them in the event they are essentially the same as that filed by Fiberboard Paper Products Corporation.
