NAME:

FIBREBOARD CORPORATION (PABCO)

PRINCIPAL PLACE OF BUSINESS:

Portland, Oregon

CORPORATE HISTORY:

In 1947, Plant Rubber & Asbestos Works, a wholly-owned subsidiary of Fibreboard, was dissolved and some of the assets were merged into Fibreboard. Liabilities were assumed. From 1959 to 1961, Fibreboard operated a wholly-owned subsidiary, Pabco Insulation Corporation, which was dissolved.

PRODUCTS:

See Exhibit "A"

MINED OR MILLED:

No

LOCATION OF MANUFACTURING PLANTS:

Redwood City and Emeryville, California; 1928 to 1971.

SOURCE OF RAW MATERIALS:

Egnep Ltd., South Africa; North American Asbestos Co., Chicago, Illinois; other sources for which there are no records.

REASON FOR CHANGE IN CHEMICAL COMPOSITION:

Health Hazard

FIRST KNOWLEDGE OF HAZARDS:

1966

FIRST LABELING:

1966

SALES:

Sales occurred primarily in Western United States from 1928 to 1972.

Admits sales to U.S. Government and GSA; however, denies sales to Long Beach Naval Shipyard and Navy. (Denial is based upon lack of records.) Had no contract units per se. Plant Rubber and Asbestos Works engaged in installation prior to 1947. Pabco engaged in installation between 1959 and 1961.

SALES TO CO-DEFENDANTS:

1. Johns-Manville : 1957; $11,588; Caltemp; 1958; $8,190; Caltemp.
2. Armstrong Cork Company: 1957; $3,021; Caltemp and Magnesia
3. Rock Wool Manfacturing Company: 1965; $1,313, product unknown.
4. Eagle-Picher: 1970; $4572, Caltemp.
5. Forty-Eight Insulations: 1965, $19,994; 1966, $34,870; 1967, $18,989; 1968, $18,356, all Caltemp.
6. Standard Asbestos:

1957	$91,472	1965	$20,009
1958	$69,513	1966	$26,560
1959	$78,130	1967	$10,533
1960	$32,236	1968	-0-
1961	$53,010	1969	$19,983
1962	$ 9,583	1970	$37,215
1963	$20,069	1971	$84,292
1964	$ 8,245	1972	See Note

Note: There were sales to Standard in 1972, most of which were asbestos-free, but some of which may have contained asbestos.

7. Owens-Corning Fiberglas: These sales were under a "Rebrand" contract and were labelled "KAYLO".

1960	$261,940	1966	$741,917
1961	$675,939	1967	$653,362
1962	$568,039	1968	$548,070
1963	$680,064	1969	$244,219
1964	$590,394	1970	$342,087
1965	$795,280	1971	$254,937

Trade name used, "PABCO"; the name "Plant" was used prior to 1948. Unless otherwise noted, products were sold as blocks, pipe covering segments and cements. Products contained chrysotile or amosite asbestos or mixtures thereof.

Brand Names:

1. Prasco: 85% diatomaceous earth and clay binders, 15% asbestos. Manufactured from about 1928 to 1957.
2. Pabco Magnesia: 85% basic magnesium carbonate, 15% asbestos. Manufactured from about 1928 to 1966.
3. FI: Cement only: 95%+ calcium silicate, 5% asbestos. 1963 - 1966.
4. No. 127: Cement only, same as FI, but no asbestos after September, 1971. Manufactured from 1966.
5. Caltemp: 88%+ calcium silicate, 12% asbestos. From about 1952 through 1968.
6. Super Caltemp: about 95% calcium silicate, 5% asbestos; from 1968 to date: no asbestos after September, 1971.

NOTE: From 1960 to 1972, defendant manufactured "Kaylo" for Owens-Corning under a rebrand contract to O-C's specifications and packaged in O-C's containers.

From 1964 to 1972, "LK" insulation was manufactured for A. C. & S. under a similar contract.

From 1965 to 1971, "Pyrocal" insulation was manufactured for PPG Industries under a similar, but oral, contract.
