PERSONS INTERVIEWED: Jim Bourne, Lab.

CALL OBJECTIVE: Routine

RESULTS OF CALL: Some time ago the Company bought out the assets & equipment of Gass & Gass, a sealant manufacturer from San Francisco. We had provided samples of SCA 10-HPO to replace Carey 7M5. However, my original Contact, Art Lander, has left Hunt Process to work for Engard Coatings. Until his replacement comes on board, no evaluations or R&D work can be performed. We will continue to work with Jim Bourne.
