Dear Steve:

We are happy to accept your specification for "Calidria" asbestos RG-244 (3M raw material 11-0001-5868-0). By accepting a purchase order incorporating this specification we agree that there will be no changes in product formulation, raw materials, basic methods of manufacturing, or approved manufacturing facilities of the product without prior written approval by 3M Company.

If we can be of any further assistance, please let us know.

Very truly yours,

Edward J. Kleber
