As of February 1, 1974, the safety policies on long hair, face hair, and finger rings will be in effect.

1. Hair will not extend below the collar (middle of the neck) or stick out 2" on the side of the head.
   Hair nets will be provided for employees with long hair.

2. Employees that are required to wear respirators shall not wear facial hair in a way that causes leakage around the respirator.

3. Finger rings will not be worn by employees during working hours.
