MULTIWALL BAG SPECIFICATION

The attached multiwall bag specifications are offered for your comment prior to inclusion in the Group I Package Specification Book. These are standard-form versions of previous purchase specifications and conversations with King City plant personnel.

PLAINTIFF'S EXHIBIT
UC-413

All bags must bear the following precautionary labeling:

WARNING: BREATHING DUST MAY BE HARMFUL
Do not breathe dust.

This warning statement should be printed on the front panel of the bag in the open space below the word asbestos in letters at least 3/4 inch high. The caution statement, "Do not breathe dust", may be smaller and be both upper and lower case.

This should be on every bag.

The plain unprinted bags should have this minimum printing on one face:

ASBESTOS
30, 40, or 50 LBS. NET

WARNING: BREATHING DUST MAY BE HARMFUL
Do Not Breathe Dust

Freight Stamp with Manufacturer's Number

Union Carbide Corporation
New York, New York

(4 in.)

(7 in.)

If there is objection to any part of this printing, let us know so that we can discuss it with the Law Department.

Please return these with comment as soon as practical to enable us to facilitate purchase contract preparation by Central Purchasing for King City multiwall bags.
