Re: SG-130 Asbestos

Dear Mr. Norris:

Mr. Scandelle has had a brief conversation with you regarding the asbestos inventory that we have in stock which was purchased from Union Carbide. As you are aware, we have discontinued the use of asbestos and wish to dispose of this material as soon as possible.

I understand from Mr. Scandelle that you were going to contact your office in the East and let us know who to deal with in regards to returning this material to Union Carbide. To date we have not heard from you, however, we are most anxious to get this matter resolved. May we hear from you at your earliest convenience.

Your cooperation will be greatly appreciated.

Very truly yours,

Jane Boyd
