PERSONS INTERVIEWED:

F. Thomas, General Manager

CALL OBJECTIVE:

Call made on CALIDRIA coatings prospect.

RESULTS OF CALL:

Pritchard handles and distributes Benjamin Moore Paints and a couple of lines of glass. They do a little of their own paint manufacturing, but it is strictly trade sales where we don't have an application. Filled Thomas in on Carbide's CALIDRIA, in the event they decide to branch out in the future with an industrial. Left our info on HPO, 144 and 244 along with my card, should they want to request samples or technical help in the future.

FOLLOW-UP ACTION REQUIRED:

No further calls needed unless we hear from them.
