The Akron Paint & Varnish Company
P. O. Box 2765
Akron, OH 44301

Dear Mr. Holland:

The following information on "Calidria" asbestos RG-144 and High Purity (open) is being submitted in response to your letter of October 28, 1975:

1. Federal Occupational Safety and Health Standards (standard for exposure to asbestos dust) and Material Safety Data sheet, and

2. Typical Chemical Analysis data sheet for "Calidria" asbestos.

We are not familiar with (3) Federal Standard 313 or (4) the Ohio Air Pollution regulations but assume that the enclosed literature may cover these areas. If not, please let us know and we will attempt to supply the required data.

Very truly yours,

Gordon L Dickson

Gentlemen:

Please provide us with data relating to the products listed below appropriate to the following governmental regulations:

1. Federal Occupational Safety and Health Act (Material Safety Data Sheet).
2. Federal Hazardous Substances Act (Percentage Lead, etc.)
3. Federal Standard 313 - Packaging Symbols (Health Hazard, Fire Hazard, Reactivity, Specific Hazard).
4. Ohio Air Pollution Regulations (Group Classification of Photochemically Reactive Pollutant; if a composite product, group percentage composition by weight and volume; Vapor Pressure in Pounds per Square Inch Absolute).

No lead in asb.

What is it.
