4 Banigan Drive
Toronto, Ontario M4H 1G1
Canada

Dear Arch:

Thanks for the memorandum from the Canadian Paint Manufacturers Association regarding the recent activity by the U.S. Consumer Product Safety Commission. I am enclosing a copy of the letter in response to this which was sent to most of our domestic customers who are using "Calidria" asbestos in taping, spackling, and joint sealing compounds. Thought it might be of interest to you.

Hope to see you and Doug next week.

Best personal regards,

Gordon L. Dickson
Manager - Eastern Region
