Attention: Director, Enforcement Division

Gentlemen:

Notice is given to you pursuant to Rules and Regulations Volume 38, Number 66, Subpart 3, Section 61.22, Union Carbide Corporation, as Owner, Texas City, Texas, plans to have dismantled a Paraffin Unit containing asbestos insulation on some equipment and piping.

Dismantlement is scheduled to start October 17, 1977, and be completed by December 30, 1977. Cutting torches will be used during dismantling operations.

All insulation is to be wetted before removal, placed in closed containers or sealed polyethylene bags and hauled from location.

If additional information is required, please contact the writer.

Very truly yours,
