Mr. Thomas T. Curry, Area Director
Occupational Safety and Health Administration
U. S. Department of Labor
Room 2118
2320 LaBranch Street
Houston, Texas 77004

Dear Tom:

This is to request copy of personnel monitoring data collected by Messrs. Bruce Simpson, Bruce Larson, and Dr. C. T. Chen during their inspection of our vinyl resins production facilities June 4-5 and 12. We wish to compare these data with our samples collected duplicately.

We were impressed with the quality of personnel which you employ as Compliance Officers and their display of competence to do the job. We appreciate the personable, informal, and direct manner in which they handled the inspection.

Please contact us if there are questions or if we can be of further service.

Very truly yours,

Don
