UNION CARBIDE CORPORATION POSTING AND SERVICE ORDER

Commission Rule 7 requires that notice of contested cases be given to affected employees.

If there are any affected employees who are not represented by a union, the employer is required to: (1) post a copy of the notice of contest (or petition of modification of abatement) at each place where the OSHA citation is required to be posted, and (2) post a notice informing affected employees of their right to participate in the case.

If any of the affected employees are represented by a union the employer is ALSO required to: (1) mail or deliver personally to the union representative a copy of the notice of contest (or petiton for modification of abatement), and (2) mail or deliver personally to the union a copy of the notice supplied by the Commission informing affected employees of their right to participate in the case.

A postcard for certifying posting and service together with a notice for informing employees of their rights are enclosed. The postcard must be completed and returned within 10 days of receipt of this letter or the notice of contest may be subject to dismissal.

In the event that Commission Rule 7 has been complied with and the postcard has been completed and has crossed in the mail with this order, this order may be disregarded.
