W. C. Thurber

RE: Trolan; Macauley; Zielinski v.
Union Carbide Corporation, et al.

Dear Bill:

The above cases involve known or suspected exposure to Calidria asbestos. We need to join the joint medical defense group in them; and the court requires us to join in at least one of them.

I have enclosed three duplicate agreements and ask that you sign each of them in your official corporate capacity. Of course, if you have any concerns regarding the nature or scope of the agreement, please give me a call so that we can iron out any difficulties you or the division may have with it.

Sincerely,

Sula L. Baye
