# Visit: Bob Peele to Brille

9:00 Am Thursday – Meeting with management.

1. Discussion: UCC's responsibility to B+R contract workers.
   a. Possible solutions –
      (1.) Written into our contract a clause that addresses itself to B+R following OSHA rules and regulations.
      (2.) Supply B+R with a monitoring service. Give them results and make them responsible.
      (3.) Identify our relationship with B+R. List the ways invoked we now enforce safety etc.
      (4) Bring in UCC's law dept. [redacted] Whittlesey, Jr.

2. Summary: a Express Concern
   b Describe Relationship
   c. Ask for Help.

Meeting with Management + Bob Peele.

Contract people - regulated area. - no one enters unless certain things must be done.

Possible that we will monitor B&R people - give them results - they are responsible.

We need written into our contract B+P a clause that ~~~~ adherence itself to B&R following OSHA's rules.

Identify our ~~~~ relationship with B+R.
Then get Lawson Whitelaw down to Brownsville.
