Memorandum to: Mr. H. F. Maurer

Following is an excerpt from the minutes of the Appropriations Committee meeting of June 11:

CENTRAL PURCHASING DEPARTMENT

Mr. H. F. Maurer's June 3 memorandum on Amendments to Union Carbide Chemicals Company-Brown & Root Maintenance Contract, which was approved December 11, 1962, was noted. Changes may result in minor reductions in estimated cost to Union Carbide Corporation. The Committee would like to have reports at least every two years reviewing the contract and our current attitude toward it.
