Subject Ventilation Survey

Copy to R. C. Glock, w/o att
M. Gutierrez

The attached is a copy of the semi-annual 1978 OSHA required ventilation survey. This survey addresses the performance of dust collectors and fume hood systems and recommendations for correcting problems. For more detailed information refer to the Brownsville Plant's 1977 Ventilation Survey dated July 11, 1977. Contact Mario Gutierrez or myself if there are any questions.
