PLAINTIFF'S EXHIBIT

UC-1911

11-2-88

Hypolito Cabrera / TACB
Robert J. Guzman -

Mr. Guzman
Concerned about the amosite - feels that it should be treated with surfactant

Daily Cleanup -
1. Wet everything morning
2. Bag - Double bag - 1" 2 mil + 6 mil
3. Wet at the end of the day -
4. Stripping of the columns -

James Hill - Lenbrook Worker Quotes -

Guzman - recommends:
* Quick and Observe - operation
Send an expert from the environmental group - Visit the site.

* Jose to Contact TACB when columns are removed.

Mr. Guzman to contact Altamont Landfills
Sotelo - 427-8800

BRA 2963

Supervise the landfilling

Other sites not approved -
need to be approved by
the wayside review
Board.

* Rush Wayside Review -
Audit

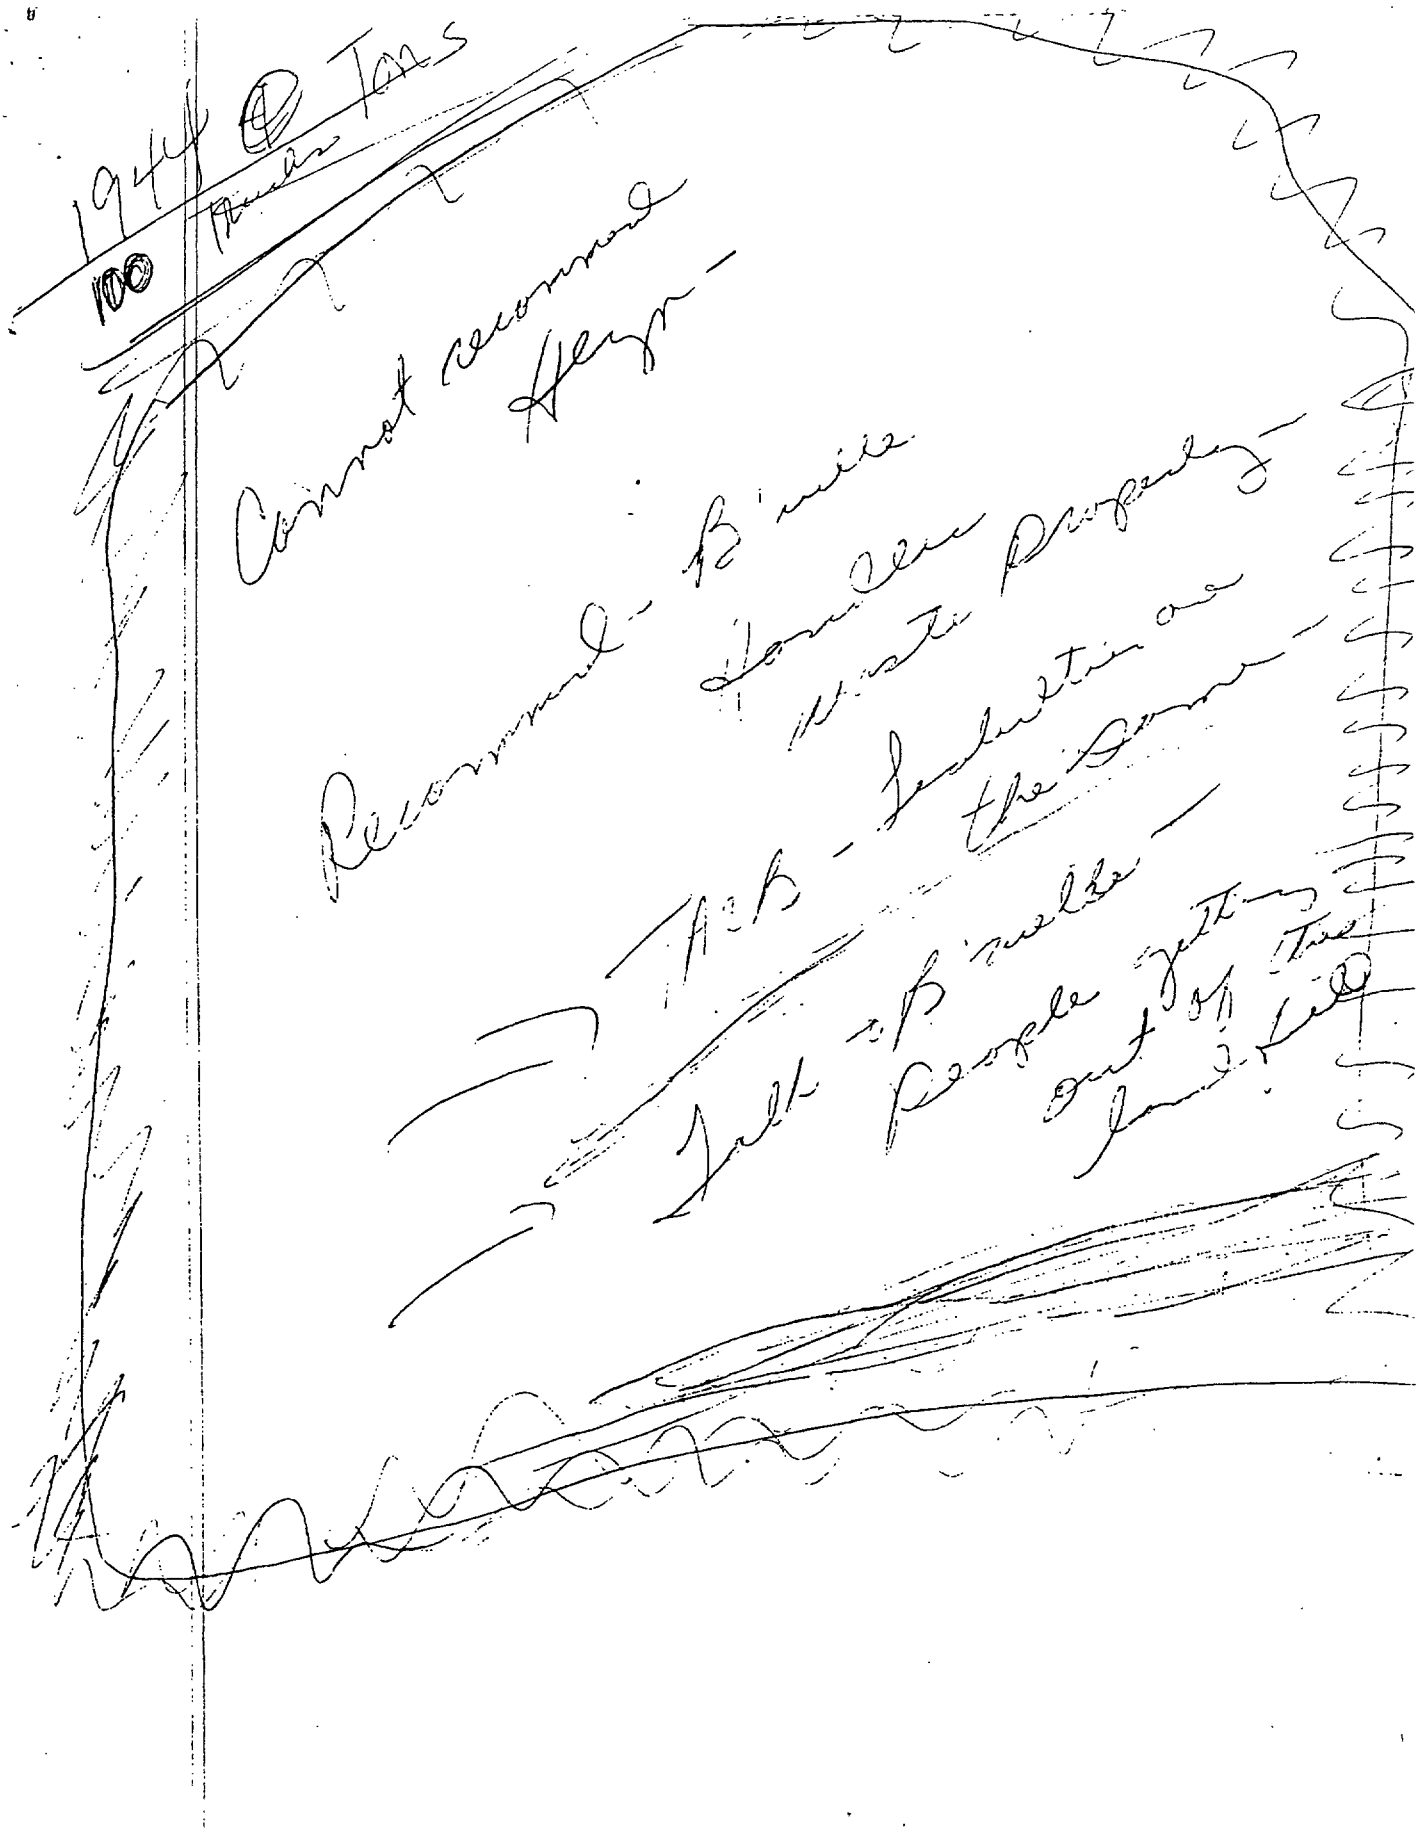

1. ** Talk to Guzman - Burial practice?
We do not want to go to
site not approved.

We already have liability in
Biwabik -

2. ** Sandra - call her & Cuta deal
with Robinstown -

BRA 2965

Went out Friday Ruben Sierra
public & Robin Quintana

Better run Landfills

Gonini Hotels - possibly somebody
UCC will be coming to
look at the sites.

Have an approved site.

Consulted
Ruben is ~~Retained~~
a special waste

Type I Landfill —
