WARRANTY AND LIMITATION OF LIABILITY

Any service or work performed by NUS Laboratory Services Group is expressly subject to the following provision and NUS does not agree to any provision that is in conflict.

NUS Corporation (NUS) warrants that work will be performed in accordance with sound laboratory practice and accepted analytical procedures, but makes no other warranty, express or implied. NUS is solely responsible for performance of this contract, and no affiliated company, director, officer, employee, agent or subcontractor of NUS shall have any legal responsibility hereunder, whether in contract or tort, or otherwise. Liability for injury or damage to persons or property arising out of this work (other than for professional errors, omissions, or other professional negligence, which are covered by the next sentence) shall be limited to the amount covered by the general comprehensive insurance carried by NUS. In the event of error, omission, or other professional negligence or any breach of the above warranty, the sole and exclusive responsibility of NUS shall be to reperform the deficient work at its own expense, and NUS shall have no other liability whatsoever. In no event shall NUS be liable, whether in contract or tort, or otherwise for any incidental consequential or special damages including but not limited to, damages in any way connected with the use or interpretation of information or analysis provided by NUS or with action related to such use of interpretation.
