Dear Willy:

Enclosed is a revised Exhibit B, effective January 1, 1976, for our sales agreement originally dated September 27, 1972. I did not send you any advance notice since there is no increase in the base price of HPO, the only product which you have purchased this year.

At the present time we do not plan to produce any SG-102 for export. However, we have established pricing based on plant cost estimates in the event production is necessary. Other prices have been increased as noted on the new Exhibit.

Please indicate your receipt and acceptance of the revised Exhibit B by signing and returning the enclosed copy of this letter.

Very truly yours,

John L. Myers
