Was employed with Glen Wheeler Insulation Co
& Capitol Equip Co. about the time #615 asbestos
glove. At one time they started an asbestos glove but not
the one in Exhibit #485.

During the conversation he told about an injury about
2 or 4 years ago, along the same lines from the

He is sure that Ormet was in the case
and suggest we contact them. He was very
unpleasant that he would be willing to
share their info with us

(2) Cannot locate an asbestos glove in the
Jo-Charlotte Unit

3) Checked with Institute Plant — Charley Hill, Tele #6517
who found someone who has an asbestos glove but not
a Wheeler. Also knows of someone else who is to supposed
to have one and as soon as he returns from vacation
