PLAINTIFF'S EXHIBIT

UC-2391

Call from Bob Rebholz: 9/21/82

Asbestos:

Currently using OSHA label:

"Asbs. may be harmful to your health"

UCC has designated asbestos as a Known Human Carcinogen.

Proposed a label to OSHA — separate an equivalency label. (Printed on the polyethylene bag the Asbestos is shipped in.)

OSHA → Asbestos

Label

Request from Toxicology Dept. for Product.

Bulk, short fiber, all short fiber asbestos

What is needed to create an appropriate label? (minimum of a potential Cancer Haz.).

A02760

UCC 015449
