Subject 1981 Forecast I

This is to confirm my telecon with Thelma Nielsen concerning the Subject on 1/16/81.

Forecast I is 2020 tons and $339,000 less than Budget, as follows:

	Budget		Forecast I		Reduction	
Product	Tons	$M	Tons	$M	Tons	$M
SG-103-7	3600	487	2500	338	1100	149
SG-103-9	1800	238	1000	132	800	106
RG-100	570	399	450	315	120	84
TOTAL					2020	339

Following is a comparison of Budget and Forecast I:

	Budget	Forecast I
Tons	34400	32380
$M	9356	9017

The new numbers more accurately reflect field sales input for GAF Corporation and Colonial Rubber. The Budget numbers had been inflated to achieve desired financial objectives.
