Dear Bill:

Due to increasing demands for our pelletized asbestos we have found it necessary to limit shipments of some products. At the present time our shipments of SG-101 to your facilities must be limited as follows:

Month	No. Cars	Tons
July	1	60
August	1	60
September	2	120

We would like to supply your additional requirements and are proceeding with plant improvements to enhance our supply position. I will keep you advised of future product availabilities.

Very truly yours,

John L. Myers
