Note

1.) No samples will be accepted unless Properly labeled with HFS rating including owners name [redacted]

2.) All samples are to be labeled as Asbestos because of the "unknown" Status.

3.) Please fill in all blanks on the Log Sheet, except the sample No. - this will be done by IH.

4.) Use the comment section for writing down specific location, ie, steam line etc. You may also use the comment section for change No. to be used.

5.) The results will be communicated back to the owner of the sample ASAP.

6.) After results are communicated back to you, Please Label lines, tanks, etc. appropriately.

UCC 019423
