DATE: January 19, 1987

SUBJECT: Insulation Upgrade Project
South Charleston

We have reviewed the subject project based on the October 30, 1986 Wegert-Whipple Health, Safety and Environmental Review Transmittal. We endorse the project contingent on satisfactory resolution of the items listed in the Wegert-Whipple transmittal.

Also our endorsement is contingent on compliance with Regulation 29CFR 1926.58 which became effective January 16, 1987.
