Attached please find the copies of the slides I used for conducting training of the Services Department employees who are not routinely involved in the asbestos abatement work but are likely to get exposed to asbestos while conducting their day to day work.

The requirement of the use of a HEPA cartridge respirator for work above the ceiling is based on the OSHA asbestos standard 1926.58, Appendix g. To relax this requirement we must have sufficient exposure monitoring data to support that the exposure potential of employees to asbestos is below the action level standard of 0.1 fiber per cc of air.

We are working on getting the data collected, but it will take some planning on your part to accomplish this in a reasonable time period. Until we have sufficient data, employees in the Services Department must wear a HEPA respirator while conducting work above the ceiling where asbestos insulation is present.

If you have further questions regarding this matter, please give me a call on extension 3750.

PROCEDURE TO FOLLOW IN NON-ASBESTOS ABATEMENT MAINTENANCE WORK

DO NOT INSTALL OR REMOVE MATERIALS THAT CONTAIN ASBESTOS

DO NOT DRILL HOLES IN ASBESTOS CONTAINING MATERIALS WITHOUT RESPIRATORY PROTECTION

DO NOT SAND ASBESTOS CONTAINING MATERIALS WITHOUT RESPIRATORY PROTECTION

DO NOT REMOVE CEILING TILES BELOW ASBESTOS-CONTAINING MATERIALS WITHOUT WEARING THE PROPER RESPIRATORY PROTECTION

DO NOT DAMAGE ASBESTOS CONTAINING MATERIALS WHILE WORKING OR MOVING OBJECTS

DO NOT DUST FLOORS, CEILINGS OR OTHER SURFACES IN ASBESTOS CONTAMINATED ENVIRONMENTS WITH A DRY BRUSH OR SWEEP WITH A DRY BROOM

DO NOT USE ORDINARY VACUUM CLEANER TO CLEAN UP ASBESTOS CONTAINING DEBRIES

DO NOT REMOVE VENTILATION FILTERS DRY

DO NOT SHAKE VENTILATION SYSTEM FILTERS

DO WEAR HEPA RESPIRATOR WHERE WHERE EXPOSURE TO ASBESTOS IS PROBABLE

DO INFORM YOUR SUPERVISOR IF YOU ACCIDENTLY DAMAGE OR FIND ASBESTOS CONTAINING INSULATION

DO VACUUM THE SURFACES (HEPA VACUUM CLEANER) IF YOU GENERATE ANY DUST CONTAINING ASBESTOS FIBERS

DO WASH HANDS AND FACE BEFORE EATING AND DRINKING BEVERAGES

DO WASH THE CONTAMINATED WORK CLOTHES AND TAKE SHOWER IF YOU GENERATE DUST CONTAINING ASBESTOS
