Subject Medical Surveillance for Asbestosis - 1981 Survey

Dear Mr. Shipley:

It would be very much appreciated if you would advise me the names and payroll numbers of the Construction Department employees who have had or are having exposures to asbestos or silica.

It would be appreciated this year if you could have a new list made up for me and not a revision of the previous list. Because of cross-outs, terminations, lay-offs, etc., the previous list was extremely difficult to use.

Your cooperation will be appreciated.

Very truly yours,

R. J. Sexton, M.D.
Plant Medical Director
