MEMORANDUM

February 4, 1976

TO: Construction Supervision
Read at Next Tailgate Meeting

FROM: M. F. Laurence

SUBJECT: Employee Physicals

Several questions have recently arisen regarding employee physicals provided by the Company. The following guidelines are to be used.

General Physicals (Multi-Phasics)

1. Check Up - voluntary and given on company time.

2. X-Rays - voluntary and completed on the employee's time. Radiologist's office is open on Saturdays ~~or employee~~ may take time off work without pay to have x-rays taken

OSHA Physicals

1. Check Up - required by federal guidelines and given on Company time.

2. X-Rays - required by federal guidelines and given on Company time.
