Subject: Notice of intent to renovate equipment and piping involving friable asbestos insulation.

Dear Mr. Hanshew:

As we discussed during our telephone conversation on May 28, the Union Carbide Corporation's Technical Center Construction Department has a renovation job scheduled which involves friable asbestos in quantities greater than 260 linear ft. Attached is the information required by 40CFR 61.146(c).

If there are any questions concerning this information, please contact me at 747-3713 or R. J. Romagnoli at 747-5209.

Sincerely,

R. H. Smith
