Subject: Asbestos Business

In conjunction with the Mineral Products Meeting to be held on March 27th, Dr. Rhodes will discuss the current status of health-related regulations concerning the promotion and use of asbestos products. This will be followed by a discussion to update the asbestos strategic plan. If time permits, Dr. Rhodes will begin his discussion on the 27th following the regular order of business for the Mineral Products Meeting. In any event, the meetings will be continued or started on Friday, March 28th, at 9:00 a.m. in the 39th floor conference room.
