Subject: Notice of intent to renovate equipment and piping involving friable asbestos insulation.

Dear Mr. Hanshew:

As we discussed during our telephone conversation on November 6, the Union Carbide Corporation's Technical Center has a renovation job scheduled which involves friable asbestos in quantities greater than 160 sq. ft. Attached is the information required by 40CFR 61.146(c).

If there are any questions concerning this information, please contact me at 747-3713 or J. K. Petros at 747-5209.

Sincerely,

R. H. Smith
