Answering letter date

Subject California Asbestos Spraying Legislation

Copy to G. R. Adams, R. E. Byrne, Jr., R. F. X. Fusaro, T. P. Norris, H. B. Rhodes, E. W. Shortridge, F. J. Shortsleeve, W. C. Thurber, E. R. Weidlein, File

Enclosed are the following items relative to the Subject and to my prior letter dated 10/24/78:

1. Harry's oral testimony.
2. Additional testimony on H. B. Fuller test presented at the Hearing.
3. Additional testimony submitted under a 15-day extension of the Hearing.
4. Letter sent to interested parties.

The Hearings seemed to go well for products containing wetted and encapsulated products and Harry's oral presentation was well-done and well-received. We anticipate a favorable decision for "our" products but you never know for sure until the final vote is cast.

I hope to see Fred Ottoboni on December 7, and would appreciate your going with me if convenient. I will be in touch with you when final arrangements are made.

We appreciate your assistance and cooperation, and I look forward to seeing you again.
