Answering letter date

Subject Letter to Harrisons & Crosfield Customers

I would appreciate your expeditious review of the attached copy of the Subject, and forwarding to others for approval if you deem this necessary. The State mailing will probably be made the first or second week in August and we want H&C customers to get our letter first. We will prepare a similar letter for non-H&C customers in California.

If you have comments or approve of the letter, please advise Miss Lepiano accordingly so she can revise and/or forward the letter to Tom Norris as soon as possible.
