UNION CARBIDE

ATTENTION AIR TRAVELERS

Are you planning to carry sample products or materials in your briefcase or luggage? If so...

BEWARE

Federal regulations make it unlawful, except as noted below, for passengers to carry hazardous materials in the passenger compartment of an airplane or in checked baggage. (See REVERSE side for PROHIBITED MATERIALS AND EXCEPTIONS.)

PENALTIES

Violations of these regulations may subject you to fines of up to $25,000 and imprisonment for up to five years.

PLAN AHEAD

Arrange for samples to be prepared and transported to destination in compliance with the regulations. Contact *your* Distribution Department for assistance or contact:
