Dear Mark:

Attached is a copy of the March Monthly report. Beginning this month you will receive a report of your company's receipts only.

During the month we received a total of 3,230,260 lbs which gives us a year to date total of 10,262,360 lbs. The landfarm extension has been completed and we can now receive waste in it. As soom as weatner permits, we will begin the modifications to our old landfarm area.

You should have received the allocation for 1981 together with a first quarter bill for 1982.

If you have any question please contact us.

Sincerely,

Robert H. Dyer
Facility Manager
