Dear Mark:

July was a hot, dry, slow month. Receipts did pick up the last week so the month was not a complete loss.

EPA did provide some excitement during the month when they issued their Standards for Solid Waste Disposal Facilities and Permit Programs. This 600 page document has something for everyone. Those regulations togetner with the ones concerning financial requirements issued earlier have been keeping us busy reading. We are working on a summary of the new regulations and we will send you a copy when it is complete.

If you have any question please contact us.

Sincerely,

Bob
