Re: Renovation Notification

Dear Mr. Stewart:

This is to notify you, as required by 40 CFR 61.146, that Union Carbide Corporation, Old Ridgebury Road, Danbury, Connecticut 06817, as owner, plans to engage in renovation activities as described below:

Insulation will be removed from four amine solution heat exchangers at Bldg. 57, in the plant at 3301 5th Avenue South, Texas City, TX 77590. Approximately, 300 square feet of insulation is involved and the equipment is 19 years old.

Removal of the insulation is scheduled to start on February 12, 1986, with completion by February 14, 1986. Procedures to be employed in the handling and disposal of the asbestos material will conform to the requirements in 40 CFR 61.147 and 61.152.

All asbestos materials removed will be disposed at Gulf Coast Waste Disposal Authority, Loop 197, Texas City, TX.

Yours very truly,

A. P. Yalcinkaya
