Re: Renovation Notification

Dear Mr. Stewart:

This is to notify you, as required by 40 CFr 61.146, that Union Carbide Corporation, Old Ridgebury Road, Danbury, Connecticut 06817, as owner, plans to engage in renovation activities as described below:

Insulation will be removed from conduit located at Bldg. 57 in the plant at 3301 5th Avenue South, Texas City, TX 77590. Approximately 200 lineal feet of insulation is involved and the equipment is approximately 20 years old.

Removal of the insulation is scheduled to start on April 1, 1986, with completion by April 11, 1986. Procedures to be employed in the handling and disposal of the asbestos material will conform to the requirements in 40 CFR 61.147 and 61.152.

All asbestos materials removed will be disposed at Gulf Coast Waste Disposal Authority, Loop 197, Texas City, TX.

Yours very truly,

J. B. Leverton
