Subject: Morrisville Records Inventory

Enclosed are computerized inventory reports detailing your component's records currently stored at the Corporate Records Center in Morrisville, Vermont. They reflect the record holdings of your groups as of this date, and may be used as a supplement to each department's individual Records Transfer Memorandum files.

These reports are being sent to you for two reasons:

1. To inform you of the data we utilize to catalog and secure your inactive records, and its volume.

2. To request that you distribute each report to the appropriate manager within your organization.

Please ask your people to review the enclosed material and inform us of any changes in responsibility. We have noted the name of the person who originally controlled or who we believe may now be controlling the records.

If you have any questions, please contact the undersigned at Union Carbide Corporation, P.O. Box 488, Morrisville, VT 05661, (802)888-3174.
