Union Carbide Corporation
Mining & Metals Division
P.O. Box 579
Niagara Falls, New York 14302

Dear Bob:

Enclosed is a copy of Union Carbide credit memo AU 561100 in the amount of $4,930.00 covering a net of 80,000 pounds of HPO asbestos which was returned to King City, California in August by our Marietta, Georgia plant.

As noted in my letter to you on August 10 we would need a check from your company to settle this as it would be impossible to absorb a credit memo through future purchases.

Will you please see that a check is sent to us for the value of the returned product less the restocking charge of 25% plus prepaid freight of $2,949.50 less local rail freight of $224.64 plus demurrage costs of $60.00. This should total $7,764.86 unless minor corrections are made to both freight charges due to the 3,200 pounds of damaged material.

Thank you.

Very truly yours,

Edward L. Aasen
