Dear Bob:

Confirming our telephone conversation yesterday, we have agreed to ship car number L & N 97353 containing 83,200 lbs. of HPO asbestos from our Marietta, Georgia Plant to your Plant at King City, California freight collect.

We are to be allowed credit in the amount of $0.083/lb. less a 25 percent restocking charge and less an amount equal to the rail freight charge for a similar movement from Marietta to your warehouse at Atlanta.

Rather than send us a credit memo, which we will be unable to absorb, please issue a check for the net value of this material to our Marietta office.

Thank you.

Very truly yours,

Edward L. Aasen
